

Landgrove Town Selectboard- January 9, 2020

Meeting convened at 8:04am

Attendance: John Ogden, Michael Jeffery, Steve Hall, Chrystal Cleary, Kimberly Eckhardt

Discussion items:

- The Town Truck (10 years old) is out of commission with a wheel bearing problem and was towed over to NY state for repair. Cameron is covering plowing and sanding. The Selectboard notes the possibility to buy a new truck in the coming years, not this year, and checked on our savings and annual contribution to the Truck Fund- the Truck Fund is currently at \$130,000, and the annual allocation is \$25K at this time.
- The Selectboard reappointed the slate of Appointed Officers to a new term January 1- Dec 31st 2020, with Will Goodwin replacing Hal Wilson at Zoning Administrator and 911 Coordinator.
- The job of designing and managing the printing of the Town Report this year was approved to Landgrove Hollow resident Jeff Cleary, who does this same job for Orvis Company's catalogs. His estimate for the job is \$500--, not to include printing costs.
- Treasurer/Lister Kimberly Eckhardt explained the changes in the town's CLA (Common Level of Appraisal) which are a bit unfavorable due to the low number of sales and the exceptional sale of one property, throwing the curve off.
- Discussion continues but no decisions proposed on the Sandbox Project, and on the appropriate classification of a road up in the northeast corner of Landgrove that comes off Jaquith Road and into Weston past a deer camp that is in Landgrove.

Meeting Adjourned at 9:14 am
